

Why are plastic bags being phased out?

The State of Colorado passed the Plastic Pollution Reduction Act (House Bill 21-1162) in 2021 to reduce and mitigate plastic pollution in Colorado.

Starting January 1, 2024, plastic checkout bags distributed at large Colorado retailers will be phased out, and paper checkout bags will incur a fee of at least \$0.10 per checkout bag.

If local ordinances call for higher fees or taxes for checkout bags, the fees will be consistent with the higher amount. RECIPIENTS OF FEDERAL OR STATE FOOD ASSISTANCE ARE EXEMPT FROM BAG FEES.

Skip the fee by bringing your own reusable bags, or bringing previously used plastic or paper bags.
